Roll Call

Clerk Wilson called the roll of Council. Present members were Councilmember Adam Jones, Councilmember Marty Judd, Councilmember Debbie Pennington, Councilmember Terry Senger, Councilmember Chad Oberson, Councilmember Mike Snyder, and Councilmember Bill Woeste.

Agenda Modifications

Councilmember Senger, seconded by Councilmember Judd, moved to add two ordinances to the agenda, for the FOP Contract approval and for wage and salary adjustments under the approved contract. Motion carried 7-0.

Executive Session Requests

Councilmember Judd, seconded by Councilmember Pennington, moved for Executive Session for the purpose of discussing employment and compensation of personnel and pending and imminent litigation. Motion carried 7-0.

Public Hearing(s)

Special Presentations and Citizen Comments

National Association of Letter Carriers Food Drive Day Proclamation

Mayor Miller presented the National Association of Letter Carriers Food Drive Day Proclamation to Kristy and Gloria from the NALC and USPS, declaring Saturday, May 10, as "National Association of Letter Carriers Food Drive Day." Kristy thanked Mayor Miller and the city for their support of the food drive and encouraged everyone to donate towards this worthy cause.

Parents Who Host Lose the Most Proclamation and student presentations

Councilmember Senger presented the Parents Who Host Lose the Most proclamation to Pat VonOfen of the Coalition for a Safe and Drug-Free Fairfield, declaring the month of May as "Parents Who Host Lose the Most" month. Students from Fairfield High School spoke about their role with the Coalition and how they are promoting a safe and drug-free prom.

Mayor/Council Reports

Councilmember Jones reported that Fairfield Movies in the Park begins May 2, with the movie "Brave." He noted that Firefighter Rick Gibbs has stepped up to coordinate the program and obtain sponsors for the event so that it is 100% funded by corporate sponsorships. Also, he reported that mutual aid agreements have been utilized in Trenton with a fire at Miller Brewing Company and Hamilton at a mobile home fire, and that if the need arises in Fairfield for additional resources, those mutual aid agreements are reciprocal. Councilmember Jones also reported that Jean Wesseler, Juvenile Diversion

Program Counselor at the Police Department, is one of five Ohioans being recognized by the Alcohol and Drug Abuse Prevention Association of Ohio as a 2014 Member of the Year.

Councilmember Judd announced that Girl Scouts of Western Ohio, Troop 46707, are sponsoring an electronics waste and metals recycling drive on May 10 from 9 AM to noon at the Fairfield Middle School. Proceeds will benefit the Fairfield City Schools. He also reminded residents to vote next Tuesday, May 6.

Councilmember Pennington reported that the Volunteer Appreciation Dinner was held on April 24 to recognize the many city volunteers. She noted that city volunteers contributed approximately 3,000 hours for a value of \$65,000 to the city. Awards given were Friends of the Arts award to Dan and Jeannie Schindler, Friends of Fairfield Forest award to Jim Montag, Volunteer Spirit award to Darvin Moeller, and Community Service award to Fairfield Historical Society. Councilmember Pennington thanked the volunteers for their service and Parks and Recreation Director Jim Bell, and staff members Ben Strickler and JoBeth Yambrich for hosting the dinner. She also reported that May 1 is National Day of Prayer, with many Christian leaders meeting at the Community Arts Center.

Councilmember Senger encouraged residents to vote on May 6, and reiterated the Council support of the local school bond issue.

Councilmember Oberson reported that Duke Energy is working on gas lines in the city. He also reported that James Price is retiring from Public Works after 30 years of service on April 30. He reported that the city was notified by the county that 2,111 tons of recyclables were recycled last year and received a check for \$25,340 from the county. He challenged everyone to recycle just a little bit more to move up one more level to earn another \$11,000. Mayor Miller noted that the large green recycling bins are available from Rumpke for no charge and easier to use than the small red bins.

Councilmember Snyder reported that Fairfield High School Science Teacher Lori Wegman will be participating in the Sieman's STARS research program. He also announced that the Hamilton Fairfield Symphony Orchestra's final event of the season will be held on May 3 at 7:30 PM at First Baptist Church in Hamilton, Ohio. Bengals Assistant Head Coach Paul Alexander will conduct one of the pieces of the event.

Three-year contract with Synagro Central, LLC. for disposal of biosolid materials from the Wastewater Treatment Plant.

FINANCIAL IMPACT:

Funding for disposal of biosolids is included in the annual operating budget for the Wastewater Division. No supplemental appropriation is being requested.

SYNOPSIS:

The Wastewater Treatment Plant produces several "streams" of solids laden, biodegradable materials. These streams, called sludge, are stabilized by anaerobic digestion. The digestion process greatly reduces the amount of solids material and destroys microorganisms that could prove to be deleterious. This produces a Class B material, which must be disposed of through a managed agricultural application process. The Class B material improves the overall soil matrix and provides nutrients essential to improved crop productivity.

The City has employed this method of disposal since the beginning of operation of the plant. This is a method promoted by the Ohio Environmental Protection agency for the beneficial re-use of ordinarily waste materials.

Synagro Central, LLC. currently holds the contract with the City of Fairfield for biosolids disposal.

BACKGROUND:

Specifications for the contract were prepared and advertised regionally. The City received three (3) bids – and Synagro Central, LLC. was the lowest and best bid. The bid is summarized on the attached sheet.

RECOMMENDATION:

It is recommended that City Council authorized the City Manager to enter into a three-year contract with Synagro Central, LLC. for disposal of biosolid materials from the Wastewater Treatment Plant.

LEGISLATIVE ACTION: Suspension of Rules and Adoption Requested? yes no If yes, explain above.

ITEM NO. 11 (C) (1)

CITY OF FAIRFIELD, OHIO
CITY COUNCIL MEETING COMMUNICATIONS

ITEM:

DATE: 5/12/14

It is necessary that City Council authorize the legislation and appropriation for the purchase of one (1) Toro Groundsmaster 5910 mower, for use within the Park Maintenance Division from Century Equipment, Incorporated.

FINANCIAL IMPACT:

An appropriation of \$88,100.00 is necessary to fund this proposal.

SYNOPSIS:

It is necessary for City Council to authorize the City Manager to enter into an agreement with Century Equipment, Incorporated for the purchase of one (1) Toro Groundsmaster 5910 Mower. This unit is being purchased from Century Equipment, Incorporated, through the State of Ohio Purchasing Contract #800261-ST5515.

BACKGROUND:

The Fairfield Parks and Recreation Department identified in its 2014-2018 Capital Improvement Program the purchase and/or replacement of turf maintenance equipment for use within the Park Maintenance and/or Golf Maintenance Division (PRK-14-005). The mower being purchased will replace a 2001 Jacobsen 16' rotary unit and will be used as a primary mowing unit within the park maintenance division. The 2001 unit has become unreliable and a maintenance burden. The mower is also suitable for use within the golf maintenance division. The specifications and quote for this piece of turf maintenance equipment are attached.

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the City Manager to enter into an agreement with Century Equipment, Incorporated for the purchase of one (1) Toro Groundsmaster 5910 Mower.

LEGISLATIVE ACTION:

Suspension of Rules/Adoption Requested: YES () NO (X) If yes, explain above.

CITY OF FAIRFIELD, OHIO
CITY COUNCIL MEETING COMMUNICATION

ITEM:

DATE: 5/12/2014

Resolution from the City of Fairfield for certain items in the right-of-way in front of 6330 Pleasant Avenue (Ameristop Retail Center).

FINANCIAL IMPACT:

No Financial Impact.

SYNOPSIS:

It is necessary for City Council to pass a resolution allowing the existing landscaping and paved parking area located at 6330 Pleasant Avenue to remain within the existing right of way for the project known as Pleasant Avenue Improvements – John Gray Road to Augusta Boulevard referred to by the Ohio Department of Transportation (ODOT) as - BUT – US 127 – 0.00 (PID #96221). During development in the early 1990's, the landscaping and parking were constructed within the existing right of way as shown on the City approved site plan. The resolution will allow the landscaping and parking to remain and will further allow the reconstruction of said items should they require future maintenance. The maintenance responsibility for these items will remain with the property owner and not with the City. The items will not be allowed to encroach any farther into the right of way in the future.

BACKGROUND:

Engineering and construction for this project is being funded 90% by an ODOT Safety Grant and 10% using local funds from the City of Fairfield. A study along Pleasant Avenue was performed by ODOT and it was recommended that this project be considered to mitigate the high number of southbound crashes at the intersection of John Gray and Pleasant Avenue.

The design is scheduled to be completed in 2014 with construction to begin in 2015. The estimated cost for engineering is \$98,325 (\$9,833 City cost) and for construction is \$774,000 (\$77,400 City cost).

This project is programmed in the current 2014-2018 CIP as PWA-14-106.

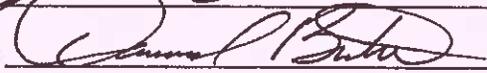

RECOMMENDATION:

It is recommended that City Council authorize and direct the preparation of a resolution, with rules suspension and emergency clause, allowing the existing parking and landscaping for the property at 6330 Pleasant Avenue (Ameristop Retail Center) to remain within the existing right of way for the project known as Pleasant Avenue Improvements – John Gray Road to Augusta Boulevard referred to by ODOT as - BUT – US 127 – 0.00 (PID #96221). Due to the need for ODOT and the City of Fairfield to certify the existing right of way being clear for construction, a suspension of rules and emergency provisions are also being requested.

RESOLUTION NO. _____

RESOLUTION TO ALLOW THE EXISTING LANDSCAPING AND PARKING AREA LOCATED AT 6330 PLEASANT AVENUE (AMERISTOP RETAIL CENTER) TO REMAIN WITHIN THE EXISTING RIGHT-OF-WAY FOR THE PROJECT KNOWN AS PLEASANT AVENUE IMPROVEMENTS AND DECLARING AN EMERGENCY.

WHEREAS, this resolution will allow the existing landscaping and parking at 6330 Pleasant Avenue (Ameristop Retail Center) to remain and will further allow the reconstruction of said items should they require future maintenance; and

WHEREAS, the existing landscaping and parking will remain the responsibility of the property owner and will not interfere with the project known as Pleasant Avenue Improvements.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Fairfield, Ohio, that:

Section 1. The existing landscaping and parking for 6330 Pleasant Avenue (Ameristop Retail Center) shall be permitted to remain within the existing right-of-way for the Pleasant Avenue Improvements Project.

Section 2. The City Manager is authorized to execute an agreement containing appropriate terms and conditions for such landscaping and parking to remain within the existing right-of-way.

Section 3. This Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and welfare and for the urgent benefit and protection of the City and its inhabitants for the reason that ODOT and the City of Fairfield be able to certify the existing right-of-way as clear for construction as soon as possible; wherefore, this Resolution shall take effect immediately upon its passage.

CITY OF FAIRFIELD, OHIO
CITY COUNCIL MEETING COMMUNICATION

ITEM:

DATE: May 12, 2014

Purchase of vehicles for use in the Police and Development Services Department.

FINANCIAL IMPACT:

\$227,847 from the Capital Improvement Fund

SYNOPSIS:

This request is for the purchase of vehicles for use in the Police and Development Services Departments. The Vehicles are being purchased through Lebanon Ford, Lebanon, Ohio, listed under State of Ohio contracts authorizing the use by Municipal Corporations. Camps Safety was chosen to outfit the Police vehicles due to their specialized engineering skills and aptitude for this project, proximity to the city, and to standardize on the wiring practices to facilitate the mechanics during repairs. RAC Graphics was chosen to body wrap the doors and roof white and apply the required Police graphics to the Police vehicles.

BACKGROUND:

The following is a list of vehicles scheduled for replacement:

Vehicle	Replaces (Unit #)	CIP#	Requested Amount	Fund	Department	State of Ohio Contract #
Ford Interceptor	727*	FLT-14-701 FLT-14-702	\$39,542	Capital	Police	RS901214 GDC050 - #5
Ford Interceptor	732*	FLT-14-701 FLT-14-702	\$39,542	Capital	Police	RS901214 GDC050 - #5
Ford Interceptor	738*	FLT-14-701 FLT-14-702	\$39,542	Capital	Police	RS901214 GDC050 - #5
Ford Interceptor	741*	FLT-14-701 FLT-14-702	\$39,542	Capital	Police	RS901214 GDC050 - #5
Ford Interceptor	752 replaces 7512 **	FLT-14-703	\$42,170	Capital	Police	RS901214 GDC050 - #5
Ford Fusion	606***	FLT-14-001	\$17,509	Capital	Development Services	RS901314 GDC104-#2AA
Contingency for paint, decals, and miscellaneous as needed.	*	FLT-14-702	\$10,000	Capital	Police	

* All old vehicles will be evaluated for use throughout the city (re-painted/decals) or sold at auction. Contingency will also be used to evaluate the exterior condition of each Police Department vehicle (paint, decals, emergency lights) and for miscellaneous fleet needs in the Police Department.

** The old Police Ranger vehicle (Unit #752) will replace the current traffic accident scene investigation vehicle which is a 1998 Jeep Cherokee (Unit #7512). Unit #752 will be re-outfitted and decaled for this purpose.

*** Unit #606 (2001 Dodge Durango) will be handed down to the detective division of the Police.

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$227,847 from the Capital Improvement Fund for the purchase of Police and Development Services Department vehicles from Lebanon Ford, 770 Columbus Ave., Lebanon, Oh 45036, and for Police vehicle outfitting and decals.

Rules Suspension and emergency provisions are being requested to ensure the vehicles are purchased prior to the dealer order cutoff date.

LEGISLATIVE ACTION: Suspension of Rules and Adoption Requested? If yes, explain above.

Purchase of a Woods 15' Batwing Mower Deck (Parks)

FINANCIAL IMPACT:

\$13,682 (\$10,682 [\$11,932 - \$1,250 for trade-in] for the mower deck + \$3,000 for contingency) from the Capital Improvement Fund.

SYNOPSIS:

This request is for the purchase of a Woods 15' BW180XW Batwing Mower Deck to be used by the Parks Department for daily mowing operations. This mower is being purchased through Twin Valley Equipment for \$10,682 (\$11,932 - \$1,250 for trade-in of the old mower deck). A quote was also obtained from Buchanan's Power Equipment Center for \$14,934. Twin Valley Equipment was chosen due to price.

BACKGROUND:

This request is for the purchase of a Woods 15' BW180XW Batwing Mower Deck to be used by the Parks Department for daily mowing operations with their Ford Tractor (Unit #237). The old mower deck was purchased in 1999 and is being traded in due to age, condition, and high maintenance costs.

The mower deck is listed in the CIP as # FLT-14-501 Replace Batwing Mower Deck (Parks) (\$18,000)

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$13,682 from the Capital Improvement Fund for the purchase of a Woods 15' BW180XW Batwing Mower Deck from Twin Valley Equipment, Eaton, OH for the Parks Department.

Replacement of (10) Variable Frequency Drives (Justice Center)

FINANCIAL IMPACT:

\$18,289 (\$8,289 for the VFD's + \$10,000 for electrical installation, contingency, and miscellaneous repairs and upgrades) from the Capital Improvement Fund.

SYNOPSIS:

This request is for the purchase of (10) Variable Frequency Drives. A quote was also obtained from The CBT Company for \$8,289 for Allen Bradley VFD's and one from WRP Associates, LLC for \$7,430 for ABB VFD's. The Allen Bradley VFD's from The CBT Company were chosen due to quality and because the dimensions of the drives are physically smaller than the ABB drives and will fit in the existing cabinet enclosures. The ABB VFD is physically larger than the space allowed.

BACKGROUND:

This request is for the purchase of a (10) Allen Bradley Variable Frequency Drives to be installed in (5) roof top HVAC units at the Justice Center. The existing VFD's have had a high failure rate and currently there are (3) that are not working, causing increased energy usage.

The Variable Frequency Drives are listed in the CIP as #FAC-14-701 Justice Center Repairs and Upgrades (\$40,000)

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$18,289 from the Capital Improvement Fund for the purchase of a (10) Allen Bradley Variable Frequency Drives from the CBT Company, Cincinnati, OH., electrical installation, contingency, and miscellaneous repairs and upgrades to the Justice Center.

LEGISLATIVE ACTION: Suspension of Rules and Adoption Requested? yes no If yes, explain above.

TERMS AND CONDITIONS

By accepting this proposal, Purchaser agrees to be bound by the following terms and conditions:

1. **SCOPE OF WORK.** This proposal is based upon the use of straight time labor only. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Johnson Controls, Inc. (hereinafter referred to as JCI), shall be distributed and installed by others under JCI's supervision but at no additional cost to JCI. Purchaser agrees to provide JCI with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. JCI agrees to keep the job site clean of debris arising out of its own operations. Purchaser shall not back charge JCI for any costs or expenses without JCI's written consent.
Unless specifically noted in the statement of the scope of work or services undertaken by JCI under this agreement, JCI's obligations under this agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean up, control, removal, or disposal of environment Hazards or dangerous substances, to include but not be limited to asbestos or PCSs, discovered in or on the premises. Any language or provision of the agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by JCI shall not operate to compel JCI to perform any work relating to Hazards without JCI's express written consent.
2. **INVOICING & PAYMENTS.** JCI may invoice Purchaser monthly for all materials delivered to the job site or to an off-site storage facility and for all work performed on-site and off-site. Ten percent (10%) of the contract price is for engineering, drafting and other mobilization costs incurred prior to installation. This 10% shall be included in JCI's initial invoice. Purchaser agrees to pay JCI the amount invoiced upon receipt of the invoice. Waivers of lien will be furnished upon request, as the work progresses; to the extent payments are received. If JCI's invoice is not paid within 30 days of its issuance, it is delinquent.
3. **MATERIALS.** If the materials or equipment included in this proposal become temporarily or permanently unavailable for reasons beyond the control and without the fault of JCI, then in the case of such temporary unavailability, the time for performance of the work shall be extended to the extent thereof, and in the case of permanent unavailability, JCI shall (a) be excused from furnishing said materials or equipment, and (b) be reimbursed for the difference between the cost of the materials or equipment permanently unavailable and the cost of a reasonably available substitute therefore.
4. **WARRANTY.** JCI warrants that the equipment manufactured by it shall be free from defects in material and workmanship arising from normal usage for a period of one (1) year from delivery of said equipment, or if installed by JCI, for a period of one (1) year from installation. JCI warrants that for equipment furnished and/or installed but not manufactured by JCI, JCI will extend the same warranty terms and conditions which JCI receives from the manufacturer of said equipment. For equipment installed by JCI, if Purchaser provides written notice to JCI of any such defect within thirty (30) days after the appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment. For equipment not installed by JCI, if Purchaser returns the defective equipment to JCI within thirty (30) days after appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment and return said equipment to Purchaser. All transportation charges incurred in connection with the warranty for equipment not installed by JCI shall be borne by Purchaser. These warranties do not extend to any equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE.
5. **LIABILITY.** JCI shall not be liable for any special, indirect or consequential damages arising in any manner from the equipment or material furnished or the work performed pursuant to this agreement.
6. **TAXES.** The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state or local law. Purchaser shall pay, in addition to the stated price; all taxes not legally required to be paid by JCI or, alternatively, shall provide JCI with acceptable tax exemption certificates. JCI shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work.
7. **DELAYS.** JCI shall not be liable for any delay in the performance of the work resulting from or attributed to acts or circumstances beyond JCI's control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner or other Contractors or delays caused by suppliers or subcontractors of JCI, etc.
8. **COMPLIANCE WITH LAWS.** JCI shall comply with all applicable federal, state and local laws and regulations and shall obtain all temporary licenses and permits required for the prosecution of the work. Licenses and permits of a permanent nature shall be procured and paid for by the Purchaser.
9. **DISPUTES.** All disputes involving more than \$15,000 shall be resolved by arbitration in accordance with the rules of the American Arbitration Association. The prevailing party shall recover all legal costs and attorney's fees incurred as a result. Nothing here shall limit any rights under construction lien laws.
10. **INSURANCE.** Insurance coverage in excess of JCI's standard limits will be furnished when requested and required. No credit will be given or premium paid by JCI for insurance afforded by others.
11. **INDEMNITY.** The Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.
12. **OCCUPATIONAL SAFETY AND HEALTH.** The Parties hereto agree to notify each other immediately upon becoming aware of an inspection under, or any alleged violation of, the Occupational Safety and Health Act relating in any way to the project or project site.
13. **ENTIRE AGREEMENT.** This proposal, upon acceptance, shall constitute the entire agreement between the parties and supersedes any prior representations or understandings.
14. **CHANGES.** No change or modification of any of the terms and conditions stated herein shall be binding upon JCI unless accepted by JCI in writing.

Replacement of shingled roof at Fire Station 32 (Dixie Hwy) and miscellaneous repairs at all firehouses.(Fire).

FINANCIAL IMPACT:

\$45,700 (\$27,700 + \$4,000 for concrete work + \$14,000 for contingency, and miscellaneous repairs and upgrades to all three firehouses) from the Capital Improvement Fund.

SYNOPSIS:

This request is for the shingled roof replacement at Firehouse 32 (6540 Dixie Hwy). Three quotes were obtained for this project. Roberts roofing quoted \$27,700, Kelley Brothers Roofing Inc. quoted \$38,976, and Ray St. Clair Roofing quoted \$48,595 for the project. Roberts Roofing was chosen due to price.

BACKGROUND:

This request is for the complete replacement of the shingled roof at Fire Station 32 with a 30 year dimensional shingle. The price includes tear off, repair of bad roof sheathing, new flashing, new drip edge, new roof vents, and new ice and water shield. The current roof has had numerous water leaks and the shingles have failed in many places due to cracking. Current communication antennas which are mounted to the roof will be relocated to the gable ends to eliminate leak points. This request also includes replacing a slab of concrete drive behind the firehouse due to excessive cracking.

These repairs are listed in the CIP as FAC-14-801 Firehouse Repairs and Upgrades (\$100,000).

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$42,700 from the Capital Improvement Fund for the shingled roof replacement at Fire Station 32 to be purchase from Roberts Roofing, Hamilton, OH ,including contingency and miscellaneous repairs and upgrades to all three firehouses.

ROOF REPLACEMENT - FAIRFIELD FIRE DEPARTMENT BUILDING - 6540 DIXIE HIGHWAY:

Existing layer of deteriorated asphalt shingles on entire building would be removed and hauled away from premises. If any wood replacement is needed at this time, it would be done on a time and material basis, at \$68.00 per man-hour plus material. New Winter Guard will be installed along entire gutter lines, valley details and all roof penetrations. A new Premium Diamond Deck synthetic felt installed as underlayment on remaining exposed wood decking. A new CertainTeed Swiftstart Starter Shingle installed along the roof eaves and rakes. A new CertainTeed, Landmark, algae resistant, Class A, 30 Year Manufacturer's Warranted, self-sealing, fireproof, fiberglass, dimensional shingles (color of your choice) shall be installed. Note: These shingles come with a 10 year algae resistant warranty and a 130 mph wind rating. New CertainTeed Shadow Hip and Ridge will be installed at all peaks and hips of roof. New 29 gauge MS Color Fast step flashing installed at all wall details. New ReziBond galvanized metal base flashing and counter flashing installed at wall details with seams soldered. New 29 gauge standing seam metal valleys with MS Color Fast Coating system installed in all valley areas. Ten new 3" soil pipe flanges installed on soil pipes. Four new 7" galvanized pipe flashings and one 4" galvanized pipe flashing complete with rain collars installed at B-vent pipe roof penetrations. New custom fabricated ReziBond galvanized metal flashings installed at base of 3' x 3' exhaust vent curbs with seams soldered. A total of five new 4" round pvc goose neck pipe flange details installed at base of lightning rod cable roof penetrations adjacent to exhaust vent curbs. A total of five new Lomanco 750 exhaust vents will be installed where old 750 exhaust vents have been removed. New Lomanco Omni Roll hidden ridge vent will be installed where ridge vent has been removed. Note: Existing lightning rod and lightning rod cables will be repositioned and resecured using butyl tape sealant and neoprene grometed screws where applicable. Non-coated and/or existing flashings to be painted (to match color of new roof) and to protect metal from weather elements.

These products meet the requirements for The CertainTeed Integrity Roof System 5-Star Extended Warranty Coverage which covers non-pro-rated coverage for a full 30 years, including materials, labor, tear off and disposal. Your warranty information will be mailed separately, upon completion and full payment of job.

Brian,

RA Miller will replace this for our 9" price of \$8.00 a sf. You have 348.5 sf to be replaced. I talked to Richard Hall and he said they can back in until it comes out of cure. They wouldn't do any caulking though. We have to get someone like we got on the other firehouse. Let me know and we can get it on the schedule.

Thanks,

Bill

Purchase of a Kimco Salt Hopper (Street Department)

FINANCIAL IMPACT:

\$11,365 (\$9365 + \$2000 for contingency).

SYNOPSIS:

This request is for the purchase of a 4 Ton Kimco Salt Hopper with vibrator model #KH4TSS. This piece of equipment is listed under O.D.O.T Bid #135-14 with permission of use granted by The Ohio Revised Code section 5513.01(B).

BACKGROUND:

This request is for the purchase of a hopper to facilitate loading of the salt barn. Currently when the street department receives a shipment of salt to be placed in the storage barn, it is first placed into one of our dump trucks and then spread upon the conveyor belt which loads the salt barn. This hopper will allow the salt to be spread directly onto the conveyor without the use of an additional truck which will improve efficiency.

The salt hopper is listed in the CIP as # FLT-14-607 Purchase of Slat Hopper for Salt Barn (Street) (\$15,000)

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$11,365 for the purchase of a 4 Ton Kimco Salt Hopper with vibrator model #KH4TSS from Kimco USA Inc., Marshall, IL, to be used by the Street Department.

LEGISLATIVE ACTION: Suspension of Rules and Adoption Requested? yes no If yes, explain above.

CITY OF FAIRFIELD, OHIO
CITY COUNCIL MEETING COMMUNICATION

ITEM:

DATE: 5/12/14

It is necessary that City Council authorize an appropriation to fund improvements the balcony and terrace at the Community Arts Center.

FINANCIAL INPACT:

An appropriation in the amount of \$30,000.00 is necessary to fund this proposal.

SYNOPSIS:

It is necessary for City Council to authorize the funding for the balcony and terrace improvements at the Community Arts Center.

BACKGROUND:

The Fairfield Parks and Recreation Board has shown in its 2014-2018 Capital Improvement Program a series of improvements at the Community Arts Center. Repairs to the balcony and underside of the balcony (terrace) were identified as potential projects. The balcony and terrace have been a maintenance concern since the opening of the facility in 2005; and the exterior has shown accelerated weathering, permeability issues, rust/abrasion deterioration and freeze/thaw related issues. The attached proposal will address these issues through a series of concrete coating and exterior surface coating procedures.

RECOMMENDATION:

It is recommended that City Council authorize the appropriation necessary the concrete and entry way improvements at the Community Arts Center in accordance with the proposals on file in the office of the City Manager.

LEGISLATIVE ACTION:

Item:

Purchase of Power Assisted Stair Chairs for use by the Fire Department

Financial Impact:

Funding in the amount of \$25,000 is requested to support this project.

Synopsis:

As part of 2014 Capital Improvement Program under project FFD-14-002, the Fire Department requested to purchase three (3) power assisted stair chairs to address the ongoing issue of obese patients. The Fire Department has experienced several lost time injuries of EMS personnel attempting to lift and move obese patients to the proximity of the cot.

The proposed equipment has the ability to move a patient up and/or down stairs weighing up to 500 pounds. We believe the availability of this equipment will potentially reduce the number of injuries when dealing with obese patients.

Recommendations:

It is recommended that City Council adopt financial legislation in the amount of \$25,000 for this project.

Legislative Actions: Suspension of Rules and Adoption Requested? Yes X No

Emergency Provision Needed? Yes X No

CITY COUNCIL COMMUNICATION

May 12, 2014

ITEM

City Council is requested to approve an appropriation in the amount of \$20,900 from the Capital Improvement Fund for 2014.

FINANCIAL IMPACT

An appropriation in the amount of \$20,900 from the Capital Improvement Fund for the replacement of 3 printers for the Finance Department as approved under project FIN 14-010.

BACKGROUND

The three printers to be replaced serve as the main printers for Accounting, Utility Billing and Income Tax respectively, and perform 90% of all printing for each of these divisions. This printing is almost exclusively output issued to citizens and outside suppliers to the city. The current equipment is at EOL (End of Life), and is past a normal time to live given the amount of use demanded of the equipment and the importance of the output.

STAFF RECOMMENDATION

It is recommended the City Council approve the requested appropriation and authorize and direct the preparation of legislation for the appropriation of \$19,000 plus 10% (\$1,900), from the Capital Improvement Fund.

ITEM

City Council is requested to appropriate the amount of \$4,000 from the Capital Improvement Fund for 2014.

FINANCIAL IMPACT

An appropriation in the amount of \$4,000 from the Capital Improvement Fund for project FIN-14-002 from the 2014 Capital Improvement Program.

BACKGROUND

As an ongoing use of vendor software required to conduct City business occurs, it is necessary to purchase upgrade rights in order to maintain the software packages used for the City's monitoring and trouble-shooting of all City network equipment and computers. This project will afford the expansion of the monitoring software to include recently added and/or expanded equipment to the monitoring schedules.

STAFF RECOMMENDATION

It recommended City Council authorize and direct the preparation of legislation for the appropriation of \$4,000 from the Capital Improvement Fund and suspend the rules requiring the second and third reading.

S & L GOVERNMENT PRICING SCHEDULE

SCHEDULE NUMBER: 800155EFFECTIVE DATES: 05/01/2011 TO 04/30/2016

The Department of Administrative Services has completed the evaluation and analysis of the State Term Schedule (STS) offering submitted by the Contractor as listed herein. The Contractor listed herein has been determined to provide competitive, economical and reasonable pricing for the items contained in their offer. The respective offer, including the Standard Contract Terms & Conditions, any proposal amendment, special contract terms & conditions, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this State Term Schedule.

This State Term Schedule is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Schedule is renewed, terminated, or cancelled in accordance with the Standard Contract Terms and Conditions.

This State Term Schedule is available to all state agencies, state institutions of higher education and political subdivisions properly registered as members of the Cooperative Purchasing Program of the Department of Administration Services, as applicable.

Agencies are eligible to make purchases of the supplies and/or services in any amount and at any time as determined by the agency (see maximum order limit). The State makes no representation or guarantee that agencies will purchase the supplies and/or services approved in the State Term Schedule.

State agencies may make purchases under this State Term Schedule up to \$2500.00 using the state of Ohio payment card. Any purchases that exceed \$2500.00 will be made using the official state of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

Questions regarding this and/or the State Term Schedule may be directed to:

Terri Villavicencio, CPPB

Replacement of sanitary sewer piping (Wastewater)

FINANCIAL IMPACT:

\$17,804 (\$6,479 for pipe replacement + \$7,325 for scaffolding + \$4,000 for contingency and miscellaneous repairs and upgrades) from the Sewer Surplus Fund.

SYNOPSIS:

This request is for the replacement of approximately 120' of sanitary sewer line at the wastewater treatment plant due to deterioration. Two quotes were received for the pipe replacement, one from Progressive Plumbing for \$12,100 and one from The Thomas J Dyer Company for \$6,479. The Thomas J Dyer Company was selected due to price. This project also includes scaffolding due to height, with a price of \$7,325 submitted from American Scaffolding Inc.

BACKGROUND:

This request is for the replacement of approximately 120' of sanitary sewer line at the wastewater treatment plant due to deterioration and pipe leakage. This pipe serves the Wastewater Administrative Office building. The section of pipe being replaced is located up high in drywell #2 on the site. Scaffolding will have to be erected to complete the job.

This project is listed in the CIP as #FAC-14-201 Wastewater plant Repairs and Upgrades (\$10,000)

RECOMMENDATION:

It is recommended that the City Council authorize and direct the preparation of legislation authorizing the appropriation of funding in the amount of \$17,804 from the Sewer Surplus Fund for replacement of approximately 200' of sanitary sewer line at the wastewater treatment plant due to deterioration and pipe leakage from the Thomas J Dyer Company, Cincinnati, OH, and scaffolding from American Scaffolding Inc., Cincinnati, OH.
